

FastPatch DPR Pourable Asphalt Repair Kit

FastPatch DPR Pourable Asphalt Repair Kit is an easy-to-apply, long-lasting repair material for distressed pavement. It is supplied in complete 3-Gal or 5-Gal, ready-to-use kits with a polymer blend of recycled and renewable materials. It can be applied in warm conditions, or in cooler conditions with the aid of FastPatch Kicker accelerator, to form a permanent repair that is quickly ready for traffic.
